Update on High-Density Housing Project on Florence and Hwy 49

Christian Valley Park, CSD, are pleased to announce that the rezoning and subsequent high-density development proposed under the Housing Element Sites Rezone Program has been removed as a Rezone Candidate Property on the proposed draft zoning ordinance.

We extend our heartfelt appreciation to each and every one of you who took the time to attend the meeting with Cindy Gustafson, District 5 Placer County Supervisor, and voiced your concerns and grievances by writing directly to Placer County. Your commitment to making our community a better place through active engagement is truly commendable, and your involvement serves as a powerful testament to the strength and unity within Christian Valley Park.

Once again, we thank you!

Speed Limit Signs

In response to concerns raised regarding speeding throughout our community, we are pleased to announce that speed limit signs will soon be installed along roadways owned by the district. The first roads to be addressed will be Mary Ln, Allen Dr, and Gregg Way. We kindly ask for your cooperation in ensuring a secure and tranquil environment for everyone in Christian Valley.

Rate Study

CVPCSD is currently in the process of conducting a study that aims to assess and analyze various factors related to our community's water service rates and fees. The process involves a comprehensive evaluation of current rates and the identification of any adjustments that may be necessary to maintain the high standards of service we strive to provide. This study is a proactive measure to guarantee that our community's financial structure aligns with our present and future needs. Regular updates on the study's findings will be shared through board meetings, this newsletter, and the CVPCSD website.
